I really didn't know which thread to stick this under since it applies to all the MGS games so I'll just stick it here. Mods/admins feel free to move this if you want.

These are some Flash parodies of the MGS and Metal Gear games. They are from [www.newgrounds.com](#) . Click on "Watch This Movie" upon arriving at the site and get ready to laugh until your side splits!

Can Snake survive a sticky situation...by using only a banana?

[Metal Gear: TRIPLE A](#)

See what happens when Snake loses his keys.

[MGS: Shopping](#)

Snake infiltrates the local supermarket.

[Metal Gear: Snake's Day Out](#)

Snake's day out at the mall, includes a cameo appearance by Meryl. This is the funniest one.

The last three don't seem to want to work. Every time I click "Watch This Movie", nothing happens.
The first one was funnier than the second. I liked that Jeep crashing into the guard.

I found it ok, but it's not as funny as **A LOOK: Metal Gear 2**

I can not decide which one is the best..

The first or the fourth..

Haha, if only they could do the voices of the characters a little better. 🤖

Those are great. Quite old though, you guys just saw those now?

Nice find there MGO. The MGS one with the cows was freakin hilarious! I couldn't stop laughing for the longest time 🤔😂

The Decline of Video games was pretty good too. Metal Gear Solid 7 with Snake in a wheelchair lol. Also, in that one when the guy takes the Final Fantasy box and it says Final Fantasy XMCXXMCMCIIMCIVXCVVIMCIX or something like that lol that was funny too.
