Oh man, that's just great! LOL. I wish my mind thought like that to make stuff that creative, not to mention the cow plushies are just too damned cute to boot.

Ha ha, I know how they did that 😊 Anyways, that was awesome 😊 It would have been a pain in the ass to clean up though 😊 I wonder if they put a hole in the wall when they pushed the big metal storage thing over? Meh, very cool, thanks for sharing it Otacon 🇺🇸

"We knew the world would not be the same. A few people laughed, a few people cried, most people were silent. I remembered the line from the Hindu scripture, the Bhagavad-Gita. Vishnu is trying to persuade the Prince that he should do his duty and to impress him takes on his multi-armed form and says, "Now, I am become Death, the destroyer of worlds." I suppose we all thought that one way or another." -J. Robert Oppenheimer
